

## Deposit Contribution

At Soper of Lincoln we understand that right now there has to be a very good reason to consider changing your car. But we think we've got just that reason!

For a limited time, we will contribute towards your new MINI when you buy it through MINI Select from MINI Financial Services. To find out more, pop into the showroom, or if you can't wait that long, call Phil (our esteemed Business Manager) on 01522 688889.
